

Ph.D. Program Checklist

Student _____

Advisor _____

Entry Year _____

Master's Degree:

Project Title			
Completed (Date)		Location/School	

Required Coursework:

Core Courses (12 Hours)	Term	Grade	Instructor
AMS 801: Intro			
AMS 802: Theory			
AMS 803: Methods			
AMS 804: Research Seminar			
Graduate Seminars - must be numbered 700 or above (9 Hours)			
Research Skills (3 Hours)			

After coursework is complete, students begin enrolling in AMS 996 – Examination Preparation to prepare for the comprehensive exam. The advisor will recommend the number of credit hours to enroll in each semester.

Concentration Fields:

Field 1	
Field 2	
Field 3	

Comprehensive Exam: [College policy on committee composition](#)

Committee Chair			
Committee Member (AMS)			
Committee Member (AMS)			
Committee Member			
Graduate Studies Representative			
Written Exam Date		Oral Exam Date	

Following the comprehensive exam, the student is required to be [enrolled full-time](#) every spring and fall term until completing 18 hours of post-comp enrollment. Hours completed during the semester of the comprehensive exam apply to the 18 hours as long as the student was enrolled full-time. After the 18 hours are completed, students enroll every spring and fall in at least 1 hour of AMS 999: Dissertation until graduating.
